## **MEDIA INVITATION**

### **MEC ZWANE USES FOOD GARDENS FOR MORAL REGENERATION**

The MEC for Agriculture and Rural Development in the Free State will be hosting a continuation of his Social Cohesion programmes, this time with a focus to intensify food garden (“Re Kgaba ka Diratswana”) project and using it as a talent search for Macufe. This is after the MEC realised that most young talent in the province remains uncovered due to lack of platforms of initiatives to reach to our small townships.

The MEC talents search trail and poverty alleviation campaign have also identified 26 Child Headed Families in Petsana – Riets to visit, to interact and provide them with food parcels. The Nketoana Municipality has come on board by identifying land to be owned those families where the MEC will provide implements for the ‘War on Poverty Campaign’.

The will also be performances by the local gospel groups who will be auditioned by Pacofs for performance in the upcoming Macufe.

The event schedule is as follows:

Date : 16 September 2011(Saturday)

Venue: Nketoane Municipality

Time : 10H00

The Media is invited to cover the event.
