INCORPORATING FREE STATE PROVINCIAL GOVERNMENT

This centralised supplier database is being populated to enable the effective implementation of the Preferential Procurement Policies of the Free State Provincial Government and the Public Entities in the province. These policies are in line with the Preferential Procurement Policy Framework Act (PPPFA) No. 5 of 2000, and the National Government Regulations pertaining to that Act. In terms of this Act, preferences are given to Historically Disadvantaged Individual (HDI) shareholders who are actively involved in the daily operations and management of an organisation, defined according to the Preferential Procurement Regulations, 2001, as "an activity inclusive of control and performed on a daily basis."

The centralised supplier database will be used by all 11 Provincial Departments and 3 Public Entities listed below:

Suppliers providing information incorrectly or fraudulently in their registration form will be disqualified from bidding and deactivated/flagged on the database, in addition to any other action the Province may institute against such a supplier. Furthermore, in the event of the Province being prejudiced financially, it reserves the right to take legal action against the supplier.
