

## **The Minister of Agriculture, Forestry and Fisheries continues on his Provincial Drought relief road shows**

In continuation to Government's drought response, the Minister of Agriculture, Forestry and Fisheries Honourable Minister Senzeni Zokwana and Free State MEC for Agriculture and Rural Development Mr Oupa Khoabane will visit the rural town of Thaba Nchu, east of Bloemfontein to view the impact drought has had on emerging and commercial farmers in the province.

As part of the day's activities the Minister and MEC will embark on the following:

1. Visit to Rietfontein Trust outside Thaba Nchu – Vaccination of livestock will take place, distribution of animal feed and distribution of water tanks
2. Gladstone Trust – Vaccination of livestock, distribution of animal feed and water reticulation.

Following the visits the Minister will address farmers and communities at Barolong Hall, details are as follows:

**Date:** 29 February 2016

**District Municipality:** Mangaung Metro

**Local Municipality:** Motheo

**Locality:** Thaba Nchu

**Venue:** Barolong Community Hall

**Project Visits:** 9:00 AM

**Ministerial Address:** 12:00 PM
